

HILL COUNTRY FLOOD RELIEF DRIVE

We know many are searching for ways to help our neighbors in central Texas who have been impacted by the floods over Fourth of July weekend. Through July 31st, we will be collecting donations to help them recover and rebuild.

Donations will go to the Community Foundation of the Texas Hill Country (EIN 74-2225369), which will direct funds to vetted organizations providing rescue, relief, recovery efforts, and flood assistance.
